

Unit 7, Lesson 28

TODAY'S EPIC STORY: GOD'S PROMISE AND DAVID'S RESPONSE

1 CHRONICLES 17;
28; 29:10-20

THE STORY @ HOME

When David's palace was complete, he decided to build a temple for the Ark of the Covenant where God would dwell among His people. God told David that He would make David and his family great, but that David was not the one who should build the Temple. Instead, the God's Spirit gave David all the plans and ideas for the Temple. God told David that his son, Solomon, should be the next king and would be the one to build the Temple. David praised God for His power and faithfulness.

PARENTS & KIDS QUESTIONS:

- What did God promise David? How did David respond?
- What do you think David planned for the Temple to be like?
- If you were building a temple for God, what would you build it out of? What would it look like?
- You can find David's words of praise to God in 1 Chronicles 29:10-20. What words of praise do you have for God? Share them with each other.

TOGETHER @ HOME

Use your imagination to draw up plans for a temple for worshiping God. Make it very elaborate and special. After all, this is God's house. What rooms should it have? What should it look like? Will it have special decorations?
